

## Sanders Denied Petition To Stop Water Service

State Commission Refuses  
To Allow Service  
To Cease

The Public Utilities Commission of California has denied the application of Joseph H. Sanders to discontinue service of water from the Sanders and Gebhart Water Company in Truckee.

The action on the petition was taken at a meeting of the commission in San Francisco Tuesday.

A public hearing on Sanders' application was held in Truckee October 26 at which time the petitioner testified that he had operated the water service since 1901, serving 23 consumers located on Burkhalter avenue and south thereof at a flat rate of \$2 per month, grossing approximately \$500 annually.

He further stated that his source of supply is obtained under a contract from the Southern Pacific Company which maintained a water tank just above Burkhalter avenue; that recently the company ceased chlorinating the water and that he had been informed by the Department of Public Health of Nevada County that the water does not meet necessary health requirements and should be boiled before domestic consumption.

Sanders also testified, according to the opinion of the commission, that the Truckee Public Utility District maintains hydrants on Burkhalter avenue and should be required to provide service to his customers as well as purchase his water system which he values at \$3000.

C. Edmunds, manager of the utility district, testified at the hearing that he was of the opinion that the price of \$3000, when considering the additional expense of \$2000 to extend the service from the district's mains would prove prohibitive.

The opinion of the commission concluded: "After considering the matter the commission is of the opinion that to authorize discontinuance of service at this time would be adverse to the public interest."

Saturday night activity at the high school centered about the dance sponsored by the junior class. Hernandez's Hideaway was the theme and all in attendance had a most enjoyable time.

## DISCUSS JUVENILE PROBLEMS

An open discussion of problems and law enforcement concerning juveniles was held at the meeting of the Truckee Rotary Club held in Brown's Cafe Monday evening.

Alvah Hooper presided and Harold Welch was a guest.

Mr. and Mrs. Daven Morey and children play to spend today in Sacramento.

Thanksgiving Day originated in expression of gratitude to God by the Pilgrims for their survival of a year of hardship and peril. Thanksgiving Day of 1954 is unique in that many millions of Americans have a sentiment more akin to that of the Pilgrims than in most years, good or bad, in peace or at war, since America meant just a tiny settlement in a hostile wilderness. Thanksgiving Day, 1954, comes in the first year that the words "under God" are a part of the official pledge of allegiance. Perhaps, as a people, we are becoming mature. In the atomic age so swiftly come upon us, mankind's newborn power to destroy his world has destroyed forever the illusion that proud men, or proud Nations, can stand secure in their own strength. Like the Pilgrims, for the peace and plenty we have, and for dangers past, let us give thanks.

## ONLY TWO MINOR CAR ACCIDENTS REPORTED HERE

Only two minor motor vehicle accidents were reported by the California Highway Patrol during the past week.

In the second accident in which a truck driven by Dwight Pasco of Reno and a car operated by Paul G. Cavolt of Norwalk collided near Hirschdale one was hurt but the owner of the truck, Alton Jacks of Reno was given a citation for faulty equipment. The investigation was made by Patrolman William Gautsche.

## Shalley Brothers Here To Operate Local Shoe Store

Syrian Natives Start U. S.  
Business Career  
In Truckee

The Truckee Shoe Store, closed since the death of the former owner, Oscar Quam, more than a month ago, has reopened under the firm name of Shalley Brothers.

The transfer of stock and equipment was affected this week when the Shalley brothers, Assa and Mike, took over the management and immediately started operations.

Both the new owners are expert shoe repairmen, having learned their trade in their native Syria. They have been in the United States less than a year and during the past summer worked for their cousin, Joby Lewis at Cal-Vada Lodge at Crystal Bay, Lake Tahoe.

Assa Shalley is married and has three daughters, but his family will not arrive from Syria until next spring or early summer. Mike is not married.

They were guided in their selection of a location by Lewis, who is well and favorably known throughout this area. They saw the possibilities of developing with the growing community and selected Truckee to start their careers in the United States because of their fondness for the area and the people of the region.

Truckee, Lake Tahoe and the surrounding area will extend a welcome to the newcomers and will join in wishing them all possible success in their venture here.

The Shalley brothers will not only repair shoes but will maintain a sales department as well, specializing for the time being in men's work and dress shoes.

## Forest Fire Dangers Are Eliminated Here By Recent Storms

L. A. Rickel, forest supervisor of the Tahoe National Forest, states that the heavy rains of November 14 and 15 has ended the threat of forest fires on the forest. Rickel has declared that, effective November 18, special fire restrictions imposed by federal regulation earlier in the year are rescinded as they apply to forest lands.

Campfire permits are not now required before building campfires on National Forest lands. Smoking is no longer restricted to specific areas.

Special emphasis should be given to continued need for burning permits to dispose of debris and slash as required by state law. State and federal agencies will require burning permits until December 1.

Supervisor Rickel said the forest lookout and fire crew stations have been closed for the season.

## SUNNY, WARM DAYS ARE ENJOYED HERE

## Tahoe Couple Take Over Granlibakken Winter Playground

TAHOE CITY—Mr. and Mrs. Al Henry, well known Tahoe City residents, have secured a lease and option on Granlibakken, a popular ski resort half a mile west of Tahoe City and have moved their family there to prepare for the coming winter season.

The lease was obtained from Mrs. Marian Rustad, owner of the establishment.

The resort has three rope tows, a skating pond, lunchroom, two units for living accommodations. The road into the resort is kept open all winter and the Henrys are inviting anyone interested in winter sports to drop in anytime. Famous Olympic Hill is right near and the recently erected International House Lodge is close by.

Both Mr. and Mrs. Henry are well known here where they were raised and attended the local schools. Both are active in community projects, and Henry has been chief of the Tahoe City Fire Department for some time. Both are also active skiers and prominent in the Lake Tahoe Ski Club, he being a past champion skier in competition.

Their many friends will wish them deserved success in their new venture.

## CANVASS FAILS TO CHANGE RESULTS IN LOCAL VOTING

A canvass of the recent Tahoe Forest Hospital District election failed to change any of the unofficial results announced last week when C. R. Heller, Nace Firpo and Warren Porter were chosen members of the governing board.

Clerk Howard Vaughan this week said the official count showed a total of 246 votes cast, with Porter receiving 232, Heller 203 and Firpo 198. The latter two were write-ins.

The canvass also revealed there were 28 write-ins on the ballots who received from one to six votes each. James McIver polled six, Francis Robichaud, three, Roger Rocholm, Reg Smart, Dick Joseph, Helen McCarty, Elmo Moriano, Irene Wiseman and Nina Sorenson each received two votes and the following got one each:

Essie Polyanich, Earl Brown, George Hahn, C. Tollefson, M. Coffey, Gertrude Seymour, Lillian Miller, Carl Leisure, Frank Seymour, Ralph Rowton, Ralph McQuarrie, Hannes Schroll, Ray McCarty, Brant Chaplin, Steve Korich, William Connors, Arlene Dunne, Charles Warner and Bill Wiseman.

## Telephone Company Is Seeking Rate Boost

Pacific Telephone has filed a supplemental application with the California Public Utilities Commission in San Francisco for additional revenue to meet the costs of higher wages recently granted.

The effect of the requested increase amounting to \$4,980,000 annually would be relatively small, particularly when it is considered in relation to the over 4,000,000 Pacific Company telephones in California, local Manager Howard Newsham said.

## Social Welfare Costs Show Marked Increase

SACRAMENTO (CNS)—The state department of social welfare has reported that the cost of general relief in California during October increased 34 per cent over the same month a year ago. The cost of the aid to needy children program went up 11 per cent.

## New Policy Expected To Save State Money

SACRAMENTO (CNS)—State Director of Finance John M. Peirce has reported to the governor that a new policy on rehabilitation of school buildings recently adopted by the state allocations board will save the state \$8,000,000, enough to construct about 4000 new classrooms.

## Engle Hopeful Of Action Soon To Four-Lane Road

Legislator Looks For Action  
In Bi-Partisan Move  
By Congress

AUBURN—Congressman Clair Engle of Red Bluff, said a bipartisan approach for funds to match a state appropriation for the four laning of a trans Sierra highway will be made in the 84th session of congress.

He made the statement after a conference and inspection trip on Highway 40 with State Senator Harold Johnson of Roseville, who authored the bill in the state legislature to earmark \$20,000,000 in state funds for the project provided the federal government appropriated an equal amount. D. G. Dobbas, president of the Placer County Chamber of Commerce, was present at the conference.

## Stands Better Chance

Engle predicted a bipartisan effort will have greater chance of success than legislation he introduced into the 83rd congress which a Republican controlled house committee refused to clear after opposition by the bureau of public roads.

The congressman said he is considering two types of legislation: A specific bill for funds and a general appropriation bill providing money to meet a situation such as the four laning of a trans Sierra route or any other public works program in which state and federal funds could be utilized together.

## More Liberal Policy

Engle reported the new Democratic heads who met with President Eisenhower on November 9 in Washington, D.C., suggested a more liberal policy in federal public works projects, including waterways, flood control and highways essential to national defense.

Senator Johnson and Dobbas plan to contact Northern California and Nevada legislators of both parties to assure bipartisan support for any plan which may be agreed upon. Engle will contact committee heads of the senate and house of representatives.

## Strength Of Football Squad Is Shown In Comparative Scores

The growing strength of the Tahoe Truckee High School football squad is shown in comparative figures compiled this week by Coach Jim Brehler.

The tabulation shows that during the 1953 season, the Wolverines scored only 45 points against their seven opponents, who scored 306 points against the local crew. In 1954, the Wolverines piled up 83 points in their eight games, holding their opposition to a total of 148.

Last year the Wolverines failed to win a single game and were defeated by such lop-sided tallies as 61 to 0 and 59 to 0, these being the games with Yerington and Lovelock respectively.

This season the local won two games and the widest margin was the 33 to 7 defeat at the hands of the tough Yerington squad.

The eighth game two weeks ago with South Tahoe may have resulted in a third win for the Wolverines but Coach Brehler pulled his strong senior players to give the freshmen a chance in competitive playing before the season closed. The score was 21 to 13 and reflected the power of the 1955 squad.

## DRAMATICS CLASS WILL PRESENT PLAY

The Tahoe-Truckee High School Dramatics Class has been working on a play entitled "The Case of the Missing Heirs." ## BANK DISTRIBUTES CHRISTMAS FUNDS

Evidence that the Yuletide season is just around the corner was given today as the distribution of Bank of America Christmas Club checks to 198 residents of Truckee was announced by R. E. Saunders, Jr., manager of the local branch.

Saunders said that this year the Bank of America will send out 400,000 Christmas Club checks throughout the state, totaling \$48,000,000 to those people who have followed the popular Christmas savings plan during the past 12 months. This is a marked increase over \$40,000,000 distributed to 336,000 Californians last year.

Although the Christmas Club funds are used primarily for gift shopping, Saunders stated, they also have been found to be an ex-

## Confused Driver Hits Police Car At Sound Of Siren; Pays Costs

RENO—Jack H. Ashford, 53, of Truckee, admitted he heard the siren Wednesday when he drove his car into the back of a police patrol car, but he added he didn't know where it was coming from.

Officer Robert Smart reported that Ashford's 1952 Chevrolet "turned left and chased me across the intersection" at Third and West streets. He said his red light and siren were in operation at the time.

Ashford pleaded confusion. He

cellent means to use in the payment of taxes, insurance premiums and in starting permanent savings accounts. He added that Christmas Club accounts for 1955 are now being opened at the branch.

## Pine Production For Period On Increase

SAN FRANCISCO—Pine lumber production during the first nine months of 1954 totaled 5.75 billion feet, compared to 5.85 billion feet in the same period last year, the Western Pine Association reported this week.

During the week ended October 23, on the basis of reports from 116 mills, production totaled 89,313,000 feet compared to 91,059,000 feet the preceding week. During the week orders totaled 74,420,000 feet and shipments 80,831,000 feet, the association reported.

The report covers ponderosa, sugar and Idaho white pine and associated species.

SACRAMENTO (CNS)—Apportionment of \$22,718,640 from the Highway Users Tax Fund was re-

said he heard the siren, all right, but added that when he heard it he was directly in front of Central fire station. Visualizing a herd of fire engines pouring out at him, he speeded up to get out of the way and, in so doing, hit the rear of the patrol car.

Police found themselves inclined to sympathize with Ashford's plight. They released him without charge after he paid the \$20 repair bill on the patrol car.

## Hunting Accidents In State Show Decrease

Hunting accidents, both fatal and non-fatal, have shown a reduction from last year, although the upland game season and more than half of the waterfowl season remain.

As of the close of deer season, there were eight fatalities and 41 injury accidents. During the entire 1953 season there were 13 fatal hunting accidents and 52 injuries.

Normally, a majority of hunting accidents occur during deer season, the Department of Fish and Game reported.

# TAHOE TOPICS

by JEANNETTE MITCHELL

The holiday season opened for Tahoeites with many going to the big game in the Bay area, many more getting ready a few days before to get in on the opening shoot in the early morning hours of November 20 for the opening of the pheasant season, consequently, leaving very few "at-homers."

Among the successful hunters that have already returned home

with their bag of game, is Ken Steddom, of Tahoe Tavern Heights and Imon Mitchell, who with son, Dale Mitchell. Though each coming home with their limit and having a good pheasant dinner under their belts—the boys say the fog made it a poor shoot. Mitchell's brothers, five in number, together with their friends, joined in on the fun and came home glowing with tales of the hunt. No word yet from Jay Shontz, Bill Bechdolt and some of our other local boys went to the Woodland area for their annual hunt.

Socially we have several shows of interest—Mrs. Dick Carnell was feted on the night of Tuesday, November 16 by her sister-in-law, Mrs. Howard Carnell and Mrs. Gus Gehlert, now residing in Tahoe Pines on the Kaiser estate. These two young matrons entertained some 31 ladies of Tahoe City and environs, opening the party with the most unique theme I have yet encountered in this baby shower business. Laurels are to go to Myrtle Carnell whose idea was for the "Stork Express"—highlighted by a cake made by our baker, Leonard Bury. The gifts were kept in a box decorated to resemble a chimney with Mr. Stork, a cut-out done by Howard Carnell, peeking down its interior with a knowing wink and I do believe, a decided chuckle on the girls all played "scramble"—Gladys Quam taking home the first prize and Carol Marvin copping second. Those present were: Maizie Carnell, the feted mother to be, Alberta Stark, Bobbie Jackson, Pat Vani, Bernie Bechdolt, Dorothy Bury, Jean Henry, Becy Shontz, Carol Marvin, Margie Broyles,

Betty Starratt, Betty Baker, Sol-veig Beavers, Margie Bowen, Audrey Brehler, Elsie Bechdolt, Markie Williamson, Blanche Donaldson, Lillie Dewhurst, Peggy Dempsey, Mary Ann Connors, Barbara Spitsen, Marge Fellows, Gladys Quam, Diddy Bolten, Helen Beaverson, Shirley Conger, Mrs. Andrew Christensen, and Beulah Carnell's sister from Los Angeles, Mrs. Mary Hemick. Mrs. Hemick was later surprised by her hubby, Larry, who came after her with a beautiful new car which acted as an incentive for her to return home even though her plans and heart wanted to stay a little while longer at Tahoe.

On the following evening of November 17, Mrs. Bernie Bechdolt was hostess by Mrs. Pete Vani and Jean Henry to honor Bernie with a baby shower. The theme of the evening was in the form of Chinese buffet dinner followed by Dutch whist with Elsie Bechdolt receiving first prize and Beulah Carnell the consolation prize. Many lovely gifts were presented to Bernie and the following made a very happy companionship: Mrs.

Martha Snyder, Yvonne Bechdolt, Gladys Quam, Becy Shontz, Barbara Spitsen, Marie Henry, Jean Henry, Dorothy Bury, Pauline Sheehan, Vi Pomini, Lenore Bartell, Elsie Bechdolt, Mary Ann Connors, Beulah Carnell, Pat Vani and of course, our lovely lady of the evening, Bernie Bechdolt.

Fast of the heels of all our social activities comes Thanksgiving with many folks already having left to join their families and some remaining at Tahoe to entertain families and friends here. One very happy reunion held here at Tahoe is the family of the Bertal Andersons of Pineland. Bert and Gladys have already welcomed Gladys's mother, Mrs. Bessie Tester of Alaska, and Mrs. Tester's mother, Gladys's grandmother, Mrs. G. Smith. They will be house guests until the weekend following Thanksgiving. Neighbors to the Andersons we find the Denis and Sachs planning a "home holiday" and in true American trait are planning on feteing friends and neighbors who don't have their loved ones with them.

The Imon Mitchells and son, Dale, will be leaving Wednesday evening for a long weekend holiday to visit with Mitchell's mother and father, the Leonard Mitchells of Sutter at which time the five brothers and two sisters together with their respective families, numbering thirty-two in all, will join one another in a happy reunion—the first time in many, many years.

The Howard Guths have left for their Thanksgiving festivities to be with Alma's aunt and uncle who reside in Visalia. The Guths will return via the Bay area and thence on home.

Harry Mead has left for his old stamping grounds, Marysville, and will join his brother and sister-in-law for Thanksgiving in Sacramento.

The Ralph Sears of Sunnyside will be having a joyous family day and right now, these past beautiful days, Ralph and Monica have been busily beautifying their Sunnyside lodge and their efforts will certainly show results come next summer, the removal of building to heighten the entrance and landscaping.

Ralph and Bea Sturgis are still coming along fine with their new "Apt Home" above their store but still haven't moved in.

No word yet from our girl, Fern Schleuter, but see her place is all locked up secure and unmoled; also the George Mortimers.

The John Flagg inform me that daughter Shirley and hubby Chap Bortz have returned to their home

in Georgia, safe and sound.

The Steve Korichs of Lake Forest are motoring to Sacramento to spend their Thanksgiving which will in effect be a family reunion of some 15 loved ones. The party will be held at Wilma's sister's home, Mrs. Carol Smiley with Wilma's mother and father, Mr. and Mrs. Guy Shipton, arriving from their home in Bakersfield.

The Al Snyder of Lake Forest have been visiting the Al Hennings of Roseburg, Ore., and it is learned that Bob Snyder after attending the big game has flown to Oregon to join his mother and father for the holiday, having Thanksgiving with Dr. Hood.

Martha and Don Snyder with their daughters, Sandra and Stephanie will join Martha's folks, the B. F. De Ganna's of Stockton.

Bob and Rose Leonardini with their family will welcome the arrival of their family, Bob's folks, Mr. and Mrs. Leon Leonardini and sisters, Mrs. A. L. Licciardi, hubby and daughters, Carol Ann and Sylvia Jean from Stockton to the shores of Tahoe for their Thanksgiving.

The William Hunters of Lake Forest together with Myrtle Rose and Eve Donadio, will spend Thanksgiving with Bill's mother and their son, Billie, and daughter in Lodi.

The Ernie PePires left for pheasant hunting around Vacaville with their relatives.

Hear Red Anderson, Floyd Carnel and son, Dick, also had a good hunt on Bud Walker's ranch near Woodland.

The Jimmie Martins have left for their winter in Cathedral City. Frank and Lela Kennedy are flying from Palm Springs to Boston where they will join the rest of the family in celebrating Frank's father and mother's 50th wedding anniversary.

Mrs. Alyce Saunders returned from her air trip to Las Vegas, where she joined hubby, Sandy, for a few days holiday.

The regular meeting of the

Squaw Valley-Lake Tahoe Ski Club was held Friday night, November 19 at Squaw Valley Lodge with a low attendance due to the outside social and sports calendar. At that there were some twenty-five persons present and several new members were acquired. The turkey hop was a success and now the club is looking forward to a successful "turkey trophy" giant slalom race to be held at the "Great White Way," Squaw Valley, November 28th with Lewis Fellows, Jim Baker and Dick Buek some of our local talent, around ten competitors coming from Portland, some from Denver and many from other California points. This being the first race of the year it is however the fourth annual race held here at Squaw Valley.

On Thursday afternoon, November 18 the Tahoe Elementary School was the scene of the regu-

## YOUR WIRING and HIGH BILLS

Wiring in most of the older homes in Truckee and some of the newer ones has not kept pace with change in conditions of the past few years.

In the past five years nearly 350,000,000 electrical appliances have been sold to add to the comfort, convenience and entertainment of family life in America.

Many of the homes in Truckee were wired originally for lighting only and the addition of even one major modern appliance may lower the voltage of the entire house by as much as 10 per cent or even more.

With a 10 per cent drop in house voltage, a 100-watt bulb gives less light than a 75-watt bulb operating at normal voltage and an appliance may take 25 per cent more time to heat—thus raising your bill by that amount.

Now is the time to have your house wiring checked. It may save you many dollars in higher bills and will protect your home from overheated wires.

## WHAT'S DOING

A \$1 telephone call saves farmer \$400

Gus Holman, pointing, is one farmer who really appreciates his telephone. He and his brother farm 227 acres of rice and other grains near Butte Four Corners, Calif. Not long ago, they needed a tractor fast. They couldn't find one nearby at the price they wanted to pay. So they went to their telephone. With one call, they found just what they wanted . . . and saved \$400. Cost of the call: \$1. "Our telephone pays us back a lot more in time and money saved than it costs us," says Mr. Holman. And that's the aim of telephone people everywhere—to bring you the good service you need to get things done quickly and easily . . . and to bring it to you at prices easy on your pocketbook. Pacific Telephone works to make your telephone a bigger value every day.

## Portable telephones—like having a telephone in every room

Yes, you can carry your portable extension telephone with you everywhere you go in and around the house. In the kitchen, upstairs, or even out on the patio, all you do is plug your portable telephone into a conveniently located outlet. There's just a small nominal installation charge for each outlet. And you can order as many as you want. The portable telephone itself costs no more than the charge for an ordinary extension—just pennies a day. And, with enough outlets it's like having a telephone in every room. You can order your portable telephones at your Pacific Telephone business office.

## A FAMILIAR FACE

Everybody will recognize Edythe L. Deaton, one of our service representatives in Truckee. Edythe started her career with the Bell Telephone Company of Nevada in Reno in 1927 as a plant clerk. She came to work for the Pacific Telephone Company in 1941 and has been located in our Business Office ever since.

Edythe is very active in women's clubs in the area being a member of the Eastern Star, Daughters of Nile and the Wyethia Club of Truckee.

She was married to the late Val Deaton one of the founders and co-owners of the Rotary Oil Company.

We asked Edythe what her hobbies are, she answered with one word, "dancing."

## TRUCKEE ELEMENTARY

Kindergarten: This week members of our class have been taking turns telling a story to the rest of the group. Narrators were Kathy Braasch, Janice Baysinger, Charles Collier, John Collier, Twila Lee Barber, Bill Waters, Linda Colstrom, Karen Frates, Gary Waters, Gary Kehm, and Karen Hedlund. All stories were either original or contained original ideas based on a conventional story. John and Charles Collier returned to class Thursday after illness.

Lenny Vind and Gail Englehart

are back with us after two-week trips with their parents. We are glad to have them with us again.

First Grade: John Besio, Larry Digesti, Mary Leavens, Anne Morrey, Clarence Robichaud, Billy Johnson, Monty Straub, Randy Russell, Cathy Lee, Alexandria Cushing, Debbie Ellis and Sherry Borden all began new books this week.

Second Grade: We visited the library where each one of us chose a book to read. Those telling of the books were Karen Whittenberg, Judy McGinn, David Soran, Marcia Leamon, Eddie King, Steve Van Sickle, Sheila Larrivee, Gregory York, Peggy Berger, Carolina Urbina, Salvador Cabrera, Jimmy Roth, Terry McCurtis, and Norine Wunsch.

Third Grade: During this book week, the third grade has been studying about the many doors

that reading opens to and about people, places, and things of the world.

Fourth Grade: We have been celebrating book week. We visited the library Wednesday where we each got a book for the library in our room. Those who got books about horses were Mike Lee, Lois Webb, Mary Ann Miller, Dianna Patton, Pamela Rose, Kathy Curran, Janice Stewart and Virginia Barnes. The group that read "Read a Book and Ride Away" to the first grade and kindergarten were Dianna Patton, George Hendrix, Fred Steele, Joe Cabrera, Helen Kohl, and Kittie Ellis.

Fifth Grade: In reading, the fifth grade has been making excellent progress. For our advanced reading groups we have obtained an extremely interesting supplementary reader called "Enchanted Isles." The book contains a selection of stories which have a tremendous appeal for children. Barry Leamon read one of the stories to the class. Francie McGinn also read to the class. Besides having children read to the class, Mrs. Wilson has been reading a number of favorite children's stories which are designed to promote interest in reading for enjoyment as well as to improve reading skill.

Sixth Grade: Carol Johnson, Barbara Ramsey, Mike Kaspian, and Quinton Kay painted a fine mural depicting the story of Madeleine, whose courage and skill were responsible for diverting disaster to her family from an Indian attack during the French and Indian war in Quebec. Mary Ann Faulkner, Glenda Harris, Varien Frey, Lily Cushing, Carol

Patnoud, Cynthia Reynolds, Clark Kydd, Ronnie Borden and Philip Harris have on display paper which they made. Norma Porter, Karen Knoefler, Donna Barnes and Ellen Hubbard painted a picture of the habitat farms of early Quebec.

Billy Thornton has entered the Shriner's Hospital in San Francisco. He writes that he hopes to be home the middle of December. As a result of his letter, the class learned how to write friendly letters.

## KINGS BEACH

lar meeting of the P.T.A. with Mrs. Clarence Schrader, vice president, in the absence of Mrs. Herb Obexer. Mrs. Ruth Roberson, principal, gave a program committee's report and said the ladies will soon have a mimeographed copy of the plans for the coming year. All executive committee members will meet before the next meeting which will be an evening meeting on January 20. It is well to note mothers that there will be a baby sitter available at the school during this meeting so bring the kiddies and enjoy your meeting. To date there is a membership of some 54.

It was unanimously voted to give the Community Christmas Tree Party a donation of \$35 and expressed generally that everyone should donate most liberally to this Community Party for all of the children.

The Rotarians and other service clubs sponsor this fete and the list of children has now grown to 250 and we all know that in the past Santa has been most generous with his gifts for the kiddies. The meeting concluded with a discussion with the parents asking a panel consisting of Mrs. Roberson, Jerry Bean, Solveig Beavers, Lillian Farr and guest of the day, Norman Dewhurst. Those in attendance were: Mrs. Barbara Spitsen, Evelyn Wilson, Louise Marsh, Yvonne Classer, Diana Warner, Margaret Nickelson, Theresa Anderson, Iva Bean, Mazie Carnell, Irene Grahm, June Grinstead, Martha Snyder, Pauline Schrader, Lillian Farr, Geri Bean, Ruth Roberson, Dorothy Bury, Robbie Moore, Beccy Shontz, and Jeannette Mitchell.

In speaking with Pat Vani I find that there could be more local people turning out for choir practice for this coming Christmas season.

Peggy and Earl Nelson of Kings Beach are looking forward to leaving soon to take a leisurely trip toward Norfolk, Va., where they will visit their son, Ray, and family for Christmas. Young Nelson has done well in being promoted in the U. S. Navy.

## NORTH TAHOE

By JUDGE HARRY CHARRISON

Mrs. Virginia Covher had a birthday last Friday. Try as we might we just couldn't get to know how old she was. Anyway, even though we are a little late,

we can still say happy birthday to Virginia and of course many, many more happy ones.

Death Valley was the first stop for the Richard Laverys and Kenneth Dick, as you are aware, is our honorable cop, or should I say constable elect of District 11, Placer County. And of all places the next stop was Las Vegas, and by the way they thought the strip was out of this world. Kenney says it was scrumptious. From there it was Encinada, Mexico. Wouldn't have missed it for anything, but wouldn't want to live there for keeps, says Ruth. On their way back they visited Palm Springs where they saw most of our warm weather residents that winter in that sunny clime. From there they journeyed to San Juan Capistrano and visited with the pigeons then on to Sacramento, visiting Ruth's mother and their many friends there. And now the vacations of Dick and myself are over, both good and fresh and you had better watch your step. Welcome home all of us.

The Miedemas of Kings Beach paid a delightful visit to the Jay Clarks at Truckee last Saturday. This Thanksgiving I hope was happy for you, we should all be thankful we were not born turkeys.

The Fred Schultes and boys are going out over Thanksgiving, going way down to San Clements to visit their folks, and then make a stop on more friends around San Fernando Valley. Fred said he

was going especially to tell them how unlucky they are not to be able to live at the lake.

Lee Madden took a trip to Fallon, duck hunting last Saturday. It's a long trip, with no luck, no duck.

Thanksgiving without reservations, was the sermon of Rev. Covher at the service of the Community Methodist Church last Sunday morning, at Kings Beach. Excellent and timely, one of those sermons that touch the spot. The young Pathfinders sang a spiritual.

Coming opportunities are on Sunday, December 5, there will be a favorite dish dinner and blind auction. More important dates will be given later. Watch for them.

New subscribers are the Steve Ports of Kings Beach. Steve says he thinks he is missing a lot by not getting the Sierra Sun. Send me some news, Steve, every week.

Little and Big Dave Ashtons went pheasant hunting last Saturday. Came home with four beauties.

Now we hear that Cloyd Sipes, out city barber, is contemplating building a certain number of cabins on his property situated on Bear street, an ideal location, quite close to the highway and the beach. Hope he starts now, so that we can keep him in for the winter.

We see too that Walter Bailey of the Tahoe Vista Garage has brand new tow truck, so that with his old one still in good shape, we should get excellent service during snowy weather — that is

should we get any.

Harry Johanson, constable of Tahoe City, has been doing double duty, while vacations have been in order. Harry tells me he will be on one around the Christmas holidays.

I hear that Deputy Sheriff McCarter of Washoe County, Nev., is in the Vets hospital in Reno for a thorough checkup. We hope there is nothing serious.

Little Cindy Plunkett, daughter of the Plunketts of Crystal Bay had a tonsilectomy performed at the Tahoe-Carson Hospital last week, and while still kinda sore is coming along swell, just in time to eat turkey for Thanksgiving.

Had a large sized post card from Gene Parvis, seemed to think Miami was a pretty nice place. He had already visited New York and Chicago, and was preparing for his trip to the West Indies. What a globe trotter he turned out to be.

I see that the Charles H. Moseleys, painters and decorators of Tahoe Vista have closed up for the winter.

Mac Burroughs and Thelma are going to have a short trip before settling down for the winter. They have sure built a swell home in Tahoe Vista, took quite a time but that was really worth while now.

One of the most disappointing pieces of news I've heard for a long time, is that our friend, Joby Lewis, has sold his Cal-Vada Lodge to a syndicate from Reno. It is a distinct loss to the community of Crystal Bay and Kings Beach area, as Joby was a most community-minded citizen, and it is easy to say that he has done more toward the development of the area in recent years than any other individual that I can mention. No matter what organization needed help, whether it be the Catholic or Protestant church it made no difference, Joby was the first to offer assistance, whether it be loss or gain to Cal-Vada Lodge. That is what made his benevolence so much more remarkable, so all there is left to say is we all of us say thank you Joby, and wish you and Helen the very best that it is possible for this world to give.

Cal-Vada Lodge will be dark this winter, as it will not open till spring.

Almost the entire California catch of salmon is landed from Monterey north to Crescent City during the commercial fishing season.

Cotton, valued at \$23,945,868, was the fourth most valuable export commodity shipped through the San Francisco Customs District in 1953.
